

SPRING/FALL 2023

Dear Friend of Phoebus Little League,

Phoebus Little League provides both Spring and Fall baseball and softball leagues for more than 300 boys and girls between the ages of 4 and 16. We are excited to begin our 70th year as a Chartered Little League program.

Operating a successful Little League program requires numerous volunteers as team managers, coaches, team moms, concession helpers, field maintenance personnel, etc., to step up to the plate and devote countless hours to ensure successful spring and fall seasons. Our volunteers and their time are invaluable to help offset league expenses as our player registration fees only pay for half of our league's annual operating expenses. Phoebus Little League relies on the financial support of our community members to provide our league families with affordable registration fees and a great Little League experience.

With that being said, we need your help to ensure a successful 2023 season. Please find our 2023 Sponsorship Program form attached which details the opportunities you can choose to show your support for Phoebus Little League. Once you have become a sponsor, please mark your calendars as the 2023 Spring Season kicks off in early March. We would love to have you visit the complex this Spring to experience for yourself the great community and family atmosphere that Phoebus Little League offers, which could not have happened without the generous donations of sponsors like you.

We thank you in advance for your support of our league. If you have any questions about Phoebus Little League sponsorship opportunities, please email phoebuslittleleague@yahoo.com or call 757-915-0664.

Regards,

Amanda Ward
